

# Template: How to Create an Account on the Okash Loan App

Follow these steps to set up your Okash account quickly:

---

## Step 1: Download the Okash App

- Go to the Google Play Store.
- Search for "Okash" and download the original app to avoid scams.

---

## Step 2: Launch the App

- Open the Okash app from your device's home screen.

---

## Step 3: Sign Up

- Choose to sign up with either your mobile number or email address.

- Alternatively, if you have an Opay account, you can use those credentials to sign up.
- 

#### Step 4: Verify Your Identity

- Accept Okash's terms and conditions to proceed.
  - You will receive a verification code via SMS or email. Enter this code to verify your account.
- 

#### Step 5: Set Up a Security PIN

- Create a strong, 4-digit PIN to protect your account.
  - You can update this PIN anytime from the app settings for added security.
- 

#### Step 6: Grant Necessary Permissions

- Allow Okash to access your contacts and location to complete the registration.
  - Once the permissions are granted, your Okash account is successfully created.
- 

That's it! Your Okash account is ready to go. You can now explore the app and apply for a loan whenever you need it.
